

SpaceWire Working Group #15

Maria Brestanska - TEC-ED Data Systems Division
ESTEC
19/10/2010

PURPOSE OF THE BROCHURE

The purpose of the SpW brochure is to promote SpW products and supplies in the world.

For that reason ESA has approached a number of companies/partners who produce and sell SpW products.

The email was sent on 26 July 2010 and so far we have received positive response from the following companies:

4Links UK

Aeroflex Gaisler

Skylab

Teletel

University of Dundee

Adsantec Russia

Dyneng

ATMEL

Caen Aurelia Italy

CONTENTS OF THE BROCHURE

Companies have been asked to provide:

1. Short description of products
2. Company logo
3. Company corporate email address

After obtaining all information, ESA will prepare the brochure with the following layout:

Page 1

What is SpaceWire

- Introductory page on SpaceWire
- Description of projects using SpaceWire
- Logos of the companies participating in the SpW brochure

ESA

JAXA

Roscosmos

NASA

Page 2

SpaceWire in Europe

ESA: products
www.esa.int

Company 2: products
website

Company 3: products
website

Page 3

SpaceWire in the world

- Company 1: products website
- Company 2: products website
- Company 3: products website

SpaceWire Conferences

University of Dundee

University of Osaka

University of St Petersburg

University of San Antonio (2011)

NEXT STEPS

- 1. Companies to provide information to SpaceWire secretary by 30 November 2010.**
- 2. SpaceWire secretary will then coordinate the brochure production with ESA communications office.**

Thank you.
