SpaceWire 2013

Fifth International Conference

11th - 13th of June 2013

Gothenburg, Sweden

The International SpaceWire Conference aims to bring together SpaceWire product designers, hardware and software engineers, system developers and mission specialists who work with SpaceWire, or wish to enhance their SpaceWire knowledge, and to share ideas and developments related to SpaceWire technology. The conference benefits SpaceWire academia, government and industry with a 3-day technical session/posters and industrial exhibition.

- SpaceWire Onboard Equipment and Software
- SpaceWire Mission and Applications
- SpaceWire Networks and Protocols
- SpaceWire Test and Verification
- SpaceWire Standardisation
- SpaceWire Components
